#### SIGNIFICANT ACCOUNTING POLICIES 4

#### CASH AND CASH EQUIVALENTS 4.1

Cash and cash equivalents comprises cash in hand, cash at bank on current, saving and deposit accounts and other short term highly liquid investments that are readily convertible into known amount of cash and which are subject to an insignificant risk of changes in value.

#### ACCRUED AND OTHER PAYABLES 4.2

Liabilities for accrued and other payable are carried at cost, which is the fair value of the consideration to be paid in the future for goods and services received.

# 4.3

Donations are recognized when it is probable that the economic benefits associated with the transactions will flow to the trust and the amount of donation can be measured reliably.

#### **EXPENDITURES** 4.4

Expenditures on various social activities are recorded by the Trust when they are incurred.

#### RELATED PARTY TRANSACTIONS 4.5

Transactions with related parties are priced at comparable uncontrolled market price.

Parties are said to be related if they are able to influence the operating and financial decision of the Trust and vice versa keeping in view the definition of related party as defined in Guideline for Accounting and Financial Reporting by Non-Government Organisations (NGOs)/Non-Profit Organisations (NPOs).

#### ESTIMATION UNCERTAINTY 4.6

The preparation of financial statements, in conformity with the approved accounting standards, requires the use of certain critical accounting estimates. It also requires the management to examine its judgment in the process of applying the Trust's accounting policies. Estimates and judgments are continuously evaluated and are based on historical experiences, including expectation of future events that are believed to be reasonable under the circumstances. The areas where various assumptions and estimates are significant to the Trust's financial statements and where judgment was exercised in the application of relevant accounting policies are estimation of depreciation on operating fixed assets of the Trust.

#### TAXATION 4.7

Tax liability is the amount of tax payable on taxable income for the year using tax rates enacted or substantively enacted by the reporting date. Provision for taxation is based on current rates of taxation in Pakistan after taking into account tax credits, rebates and exemptions available, if any.
