# RIZQ TRUST NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2022

1 LEGAL STATUS AND OPERATIONS

- 1.1 The Rizq Trust ("the Trust") was registered on February 13, 2020 under the Trust Act, 1882, with the objective to establish, run and manage food banks to distribute food at subsidized rates or free of cost to underprivileged people, provision of health awareness and promotion especially among poor and oppressed communities.
- **1.2** The Trust is a people-powered social enterprise focused on making food philanthropy convenient for those who want to manifest compassion and food accessible for those in need.

Rizq mobilizes and enables various stakeholders in the food ecosystem, including donors, young individuals, corporates, grassroots organizations, and community networks to fight the root causes of hunger to promote food justice and create self-sustaining communities. In order to provide different access channels to relevant stakeholders, the Trust has designed multiple programs which cater to a particular aspect of food insecurity.

#### Rizq Bachao:

Rizq Bachao marks the flagship program of Rizq and the one that helped the Trust set foot in the ground of philanthropy. This program helps to channelize excess food produced across different points of the supply chain to deserving people so that it does not get wasted.

#### **Rizg Ration:**

Rizq Ration is a food safety program which provides families enrolled on our incubation list with enough food supplies to make the family food secure for an entire month. The selection of beneficiaries is done after a rigorous evaluation through a poverty scorecard. Priority is given to widows, senior citizens, differently abled people and orphans.

### Rizq Daig:

This program is used to distribute one time meal to deserving people in the Rizq verified communities. The food is distributed through our network of partner NGOs.

#### Rizq Khana:

This program is also used to prepare and distribute meals to deserving people on different locations of Lahore.

1.3 The registered office of the Trust is located at 40-Commercial Area, Cavalry Ground, Lahore.

### 2 STATEMENT OF COMPLIANCE

These financial statements have been prepared in accordance with 'Accounting Standard for Not for Profit Organizations (NPOS).

# 3 BASIS OF PREPARATION

#### 3.1 Basis of Measurement

These financial statements have been prepared under historical cost convention.

### 3.2 Functional and Presentation Currency

These financial statements are presented in Pakistan Rupees (Rupees), which is also the Trust's functional currency.

### 3.3 Going Concern Assumption

These financial statements have been prepared on going concern basis without any adjustments to assets and liabilities based on operation results and future projections. The management is also confident of generating surplus fund through streamlining the operations of the Trust.

### 4 SIGNIFICANT ACCOUNTING POLICIES

### 4.1 Basis of Accounting

The financial statements of the Trust have been prepared on the accrual basis of accounting and accordingly reflects all significant receivables, payables, and other liabilities.

video.

#### 4.2 Operating Assets

Operating assets are recognized as an asset, if and only if it is probable that, future economic benefits associated with the item will flow to the trust, and the cost of the item can be measured reliably. Operating assets are stated at cost less accumulated depreciation. Depreciation on leased operating assets is charged on straight line method and on owned operating assets charged on reducing balance method to write off the cost of an asset over its estimated useful life at the rates mentioned in note 5.

For a contributed asset, cost is considered to be fair value at the date of contribution. Full depreciation is charged for the month of purchase and no depreciation is charged for the month in which an asset is disposed off.

### 4.3 Research and Development Cost

All research cost is recognized as an expense in the year incurred. Development costs are recognized as an intangible if, and only if: (a) the technical feasibility of completing the asset exists, (b) the intention to complete the asset exists, (c) management has the ability to use or sell the asset, d) the asset will generate future economic benefits by use or sell, (e) there is availability of adequate resources to complete and (f) the cost of development of the asset can be reliably measured.

All intangibles are measured at cost less accumulated amortization. The amortization is charged using reducing balance method.

#### 4.4 Inventories

Inventory of contributed material is initially recognized at fair value. Inventory items that are held for distribution at no or normal charges are measured at the lower of cost and net realizable value.

## 4.5 Revenue Recognition

Contributions from donors are recognized as revenue using "Restricted Fund method". In this method, restricted contributions are recognized as restricted fund due to the restrictions on these donations relevant to specific activities of the Trust. All other donations are treated as general fund.

Contributed material or services are recognized as revenue if and only if the fair value of these contributions can reliably be measured. The materials and services are used in the normal course of the Trust's operations and would otherwise have been purchased.

#### 4.6 Donation In Kind

Donated assets and other non-cash donations are recorded as contributions at their fair values at the date of donation.

### 4.7 Grant Recognition

The grant amount is made a part of revenue on the receipt basis.

### 4.8 General Fund

This is a general purpose unrestricted fund. All donations other than those for specific purpose are recognized in this fund.

#### **Restricted Fund**

This is a fund created to fulfill the obligations imposed by the donors and to fulfill the aim and objectives of the Trust as approved by the Board of Trustees.

#### 4.9 Cash and Cash Equivalent

Cash and cash equivalents comprises cash in hand, cash at bank on current, saving and deposit accounts and other short term highly liquid investments that are readily convertible into known amount of cash and which are subject to an insignificant risk of changes in value.

#### 4.10 Accrued and Other Payables

Liabilities for accrued and other payable are carried at cost, which is the fair value of the consideration to be paid in the future for goods and services received.

## RIZO TRUST NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2022

- initia

### 4.11 Donation Recognition

Donations are recognized when it is probable that the economic benefits associated with the transactions will flow to the trust and the amount of donation can be measured reliably.

# 4.12 Expenditures

Expenditures on various social activities are recorded by the Trust when they are incurred.

## 4.13 Related Party Transactions

Transactions with related parties are priced at comparable uncontrolled market price.

Parties are said to be related if they are able to influence the operating and financial decision of the Trust and vice versa keeping in view the definition of related party as defined in Guideline for Accounting and Financial Reporting by Non-Government Organizations (NGOs) / Non-Profit Organizations (NPOs).

### 4.14 Estimation Uncertainty

The preparation of financial statements, in conformity with the approved accounting standards, requires the use of certain critical accounting estimates. It also requires the management to examine its judgment in the process of applying the Trust's accounting policies. Estimates and judgments are continuously evaluated and are based on historical experiences, including expectation of future events that are believed to be reasonable under the circumstances. The areas where various assumptions and estimates are significant to the Trust's financial statements and where judgment was exercised in the application of relevant accounting policies are estimation of depreciation on operating fixed assets of the Trust.

#### 4.15 Taxation

Tax liability is the amount of tax payable on taxable income for the year using tax rates enacted or substantively enacted by the reporting date. Provision for taxation is based on current rates of taxation in Pakistan after taking into account tax credits, rebates and exemptions available, if any.

14.1 These include food donations from various organizations of which fair value can reasonably be estimated. Apart from these, food donations are also received from about 20-25 organizations and distributed among needy families however due to Trust's inability to reasonably estimate the fair value for various reasons, those donations have not been assigned any value.
